# JOINT STATUS REPORT

The parties submit this joint status report in compliance with the Court’s July 8, 2025 Order (ECF No. 17). Plaintiffs’ related district court case is still pending. *N. Dynasty Minerals Ltd. v. U.S. Env’t Prot. Agency*, No. 3:24-cv-59 (D. Alaska). Additionally, new leadership at the Department of Justice and Environmental Protection Agency are still getting up to speed on the case here. Additional time will allow the parties to further assess the progress and impact of the district court litigation and allow the new administration time to continue learning about this litigation. The parties thus do not propose further proceedings at this time. The parties will file another joint status report within sixty days, on or before November 4, 2025, in accordance with the Court’s order.<sup>1</sup>

<sup>1</sup> Although the United States continues to support a stay of this case for the reasons above and based on the specific factual circumstances, it neither concedes that this Court has jurisdiction nor is waiving any defenses, including but not limited to a lack of jurisdiction based on 28 U.S.C. § 1500.

Respectfully submitted this 5th day of September, 2025,

/s/ Keith Bradley (with consent)
